

The Pupil Premium

Do you want to get more resources for your child and help create new opportunities for your child?

The pupil premium is a government funded scheme that provides additional funding for some children that fulfil set criteria. For those children that meet the criteria additional funding may be awarded to the nursery to support a child's development, learning and care.

Please help us by answering some quick questions and returning this form to us at the nursery. This may make a difference.

What happens once we have returned our form:

Any funding received can be used by the nursery in any way we choose to improve the quality of the early years education that we provide for your child. We may use it for:

- **new resources**
- **additional training for staff**
- **investment in partnership work with specialists that can offer support and advice**
- **1:1 support for a child eligible for the funding or for small group activities**

Should I worry about the information I am giving?

No, the information you are providing will be used by the council to confirm the receipt of one of the listed welfare benefits. They do this by checking the work benefits data provided by HMRC and DWP and ask your consent to make this check. Once this has been completed they can make a judgement on how much money the nursery can receive so that we can use it to support your child and other children entitled to this funding.

This scheme will not affect any of the benefits you may be entitled to currently
